

## **Advertisement Extension/ Competition no 2 (2013)**

The committee of offers seeks to carry out a wireless infrastructure project for techno- information, so the highly technical qualified companies in such field are invited to compete in achieving the project according. Such companies should communicate with subcommittee of offers in the university to get the booklet of conditions and terms of the project as follows.

- 1: The booklet costs 850 Libyan Dinar. This amount of money cannot be withdrawn.
- 2: The nominated companies ought to deeply study the RFP to provide the university with two separated offers: technical and financial. Each of which should be put in an envelope that must be tightly fastened with red stick.
- 3: The time-limit of buying the booklet and receiving the offers of the bidders is extended as follows:
  - I. The deadline for buying the RFP will be on August 22, 2013, precisely at 1400 on Thursday.
  - II. The deadline for receiving the offers will be on August 29, 2013, namely at 1400 on Thursday.
  - III. The offers will be deeply examined by the concerned committee on Sep 4, 2013, at 12:00 p.m. on Wednesday.
- 4: The bidder should pay a primary insurance that equals 0.50% of the total account of the project by writing an authorized check or provide the university with a guarantee letter. All such documents must be put in the

envelop of financial offer. Those who will not award the contract can regain their money at once.

5: The bidders must examine the conditions and terms of the project before getting the booklet.
